

## **2015 Best Resort in Sosua CASA MARINA BEACH RESORT**

Monarc.ca has quickly become the #1 Canadian “hotel & resort” review site where Canadian travellers go to write and to consult traveller’s reviews in preparation for their next trip. Monarc.ca is pleased to offer “Pro”, “Certified” and “General” reviews. “Pro” reviews are written by a Canadian travel agent, whereas “Certified” reviews are written by travellers with a confirmed booking.

The reviews are published on Monarc.ca, as well as the majority of Canadian online travel agencies. Monarc.ca has compiled over 120,000 reviews and represents more than 1500 hotels from the most popular sun destinations’ resorts and hotels, the USA, Canada and Europe.

We wish to congratulate your management and staff for their success, as your hotel stands out among the others hotels present on the Canadian market.
